This is the artist that jeffrey saw an article on...I tracked him down (through research and emails) ...got a hold of his promotional person, she put me in touch with Jago...I flew him and his mate 1st class to the island...put them up at the Ritz hotel for a night and flew them back to NY 1st class....this is the project he came up with...Jeffrey wanted something to mimic the rocks on the island...I met Jago on Monday ...he came to meet with Jeffrey. I emailed him at 7am asking if he could come the same day at 11am...and he did! People like art. (FYI-[REDACTED] went in and met with the art teacher yesterday re [REDACTED])

Dear Karyna and [REDACTED],

This is the link to the video presentation of the work we saw on Monday morning and that you can share with Jeffrey.

Tomorrow i will forward the last video related to the work we want to place on the beach, along with the work plan.

Let me know if you can see everything correctly.

Very truly yours,  
Jago
