I just spoke to James...he suggests best to buy the watches for the people in the EU (London, Paris) in a Paris store (Valdson?) or on the French Apple website with a French CC (but the website is in French so we need someone who can translate. Maybe [REDACTED] can do it? Then she can ship to recipients). We will need to order the watch here in the US for the woman in Russia since Russia has no stores. So we do need to know if shipping a gift of a watch via Fed Ex is an issue or not...

I went back to review what James had said originally about the watches and their use (below) I will double check with James, but if the watch will work with the iPhone's network first, maybe we order here and ship fed ex. ourselves. As long as sending a watch Fed Ex oversees is not an issue(?) :

This is my logistical mind at work, but the cell functions require purchasing watches specific for each country (and they don't work outside their home country)... it's really a small thing tho, because the watch will use the iPhone's network first anyway.

Do you want to discuss how to handle the watch orders for Europe with JE? Or just have the watches sent to us and we fed ex to each person in Europe?

Hi Lesley -
Attached is the quote for the orders shipping to the US. I haven't received the updated spreadsheet from my support team yet for you to review to ensure shipping addresses are correct. Once I have that, I'll forward it over for you to verify the information.

Also, re: Europe. The teams in the UK and France are now telling me they no longer accept US credit cards over the phone. This is apparently a new policy they have put in place. Sorry to misinform you. This is a policy change I was not aware of.

This means that either someone with a credit card from each region would have to pay for the items or I will need to ship these items to you and then you will need to forward them to each individual. Also - we do not have a store in Russia, so that would need to be shipped to you either way.

Please let me know if this will work for you and I'll get those added to your order and have them shipped to your office.

I'll check in mid-day tomorrow. Talk soon.

Best Wishes,
