>> Hi Leo ...the exterminator will come this Wed. Nov. 7th. Please be sure to meet up with him and go to all the guest apartments. We have no guests in any apartment except for Karyna's parents in 2G (but they are currently in Vegas so you can go in) and Sonam is in 10B. Nili will disarm the alarm at 9am on Wed. Please go to her apartment as well. Let me know when you are done so I can tell her.
