Thanks, [REDACTED] - OK - I'll clear the decks whenever it's convenient for Jeffrey and will touch base next week...

Glad the package made it! - Jeffrey is a Beatles fan like I am- we agree no one can sing like John or Paul! Can you believe these Beatles re-mixes and new releases coming out 50 years after the initial release? - I remember the night I brought the White Album home at age 12 and listened to all four sides front to back with my dad....that makes me feel so old!..But Paul and Ringo are still playing live (Ringo a lot around here) - still inspirations, and thanks to one of his co-managers we are sending Ringo a proposal to start a drumming program for Stroke patients with arm and/or leg weakness/clumsiness at the new California Rehabilitation Institute in Century City.

Hope you're enjoying the holiday season in the best holiday city in the world!

Cheers,
Mark

Hi [REDACTED] - Sorry - I didn't know we were on for 12N your time today. I'm available from 1P - 2P your time and anytime next week and weekend at JE's convenience - if you give me a heads up with date and time I'll be sure to rearrange my schedule - sorry my class last night with a guest professor plus the flight to Vegas to meet with Paul Shaffer made scheduling hard today....

My Skype name is [REDACTED]

My cellphone is [REDACTED]

Oh - did my giving-Thanks gift from Amazon arrive at E 71st St Monday?

All the Best,

Thanks for your email, [REDACTED] - Hope you had a great Thanksgiving! With Malibu so badly burned by the Woolsey Fire (85% of the Santa Monica National Park is now gone plus 600 homes lost) it was a bit of a downer here. Yes, this Fri Nov 30th anytime up to 2P your time would work - after that I have to get to LAX and fly to Vegas to meet Paul Shaffer at Caesar's Palace re: Institute projects (!) thanks to his manager, who is my patient. If those times on Fri don't work then after I get home on Sunday night I will clear the deck and be available to Skype with Jeffrey at his convenience any time next week. May I ask if my giving-Thanks gift from Amazon reached E71st St Monday? - Cheers, Mark
