Rich should know the status on Jeffrey's new iPad. I got dropped off the thread between him & Martin @ Apple.

Great to know!
Bella, let us know when my phone can be picked up...I can have Jojo go to retrieve. Will Jeffrey's iPad need to be picked up or is it being delivered to the house?

Hi hi!

I'm available 10-6 all next week at the moment. If Bella is ordering from Apple, it should be available immediately from in-store pickup at the UES Apple store (the app has them listed as in stock).

Jeffrey has a new iPad Pro coming, as well. I don't know if he's going to want me to set it up for him, but if he does, we should do both at the same time.

Thank you,
