Plumbers are done. Everything is fine. We do need some signage in the  
sub cellar and they will bring it on the 30th  
before the inspection.

Good morning,  
FYI we are scheduled to have our fire suppression system inspected by the FDNY along with our plumbers on November 30 @ 9 am.

Rich,  
I will have the plumbers do a preliminary testing to make sure everything is good.

Thanks
