From the movers/ moving company...

So, I'am thinking maybe better just hire the moving company, who can provide the insurance paper and will be able to disassemble the bed and deliver it to the addrese where Jojo would like?

I also have a table and two chairs, can Jojo be interested in it as well? (Photo attached) <IMG_7589.jpeg>

Ill connect with the moving company right now and check the price for moving out process.

Will be right back to you

Thank you for the information. Question though, the building needs insurance from who? Jojo and Merwin were just going to rent a Uhaul truck and move the bed themselves. Is that OK?

The only problem is that the building is required insurance paper it has to be sent [REDACTED] by Fax to the resident manager, Geovanni Bernardino [REDACTED] for moving out.
