I would recommend to speak to the Russian lady if she has preferences. She will need to use it in Russia, get service etc.. I believe JE purchased him an iPhone X a while ago.

Thank you,  
Bella

May be less expensive to have [REDACTED] order on French website with French cc and have her ship to each recipient including the woman in Russia. Also, does Valdson have a iPhone because if not the iPhone watch will not work You must have an iPhone

I just spoke to James...he suggests best to buy the watches for the people in the EU (London, Paris) in a Paris store (Valdson?) or on the French Apple website with a French CC (but the website is in French so we need someone who can translate. Maybe [REDACTED] can do it? Then she can ship to recipients). We will need to order the watch here in the US for the woman in Russia since Russia has no stores. So we do need to know if shipping a gift of a watch via Fed Ex is an issue or not...

I went back to review what James had said originally about the watches and their use (below) I will double check with James, but if the watch will work with the iPhone's network first, maybe we order here and ship fed ex. ourselves. As long as sending a watch Fed Ex oversees is not an issue(?) :

Apple Watch Order**

Hi Lesley -  
Attached is the quote for the orders shipping  
to the US. I haven't received the updated  
spreadsheet from my support team yet for you  
to review to ensure shipping addresses are  
correct. Once I have that, I'll forward it over  
for you to verify the information.

Also, re: Europe. The teams in the UK and  
France are now telling me they no longer  
accept US credit cards over the phone. This is  
apparently a new policy they have put in  
place. Sorry to misinform you. This is a policy  
change I was not aware of.

This means that either someone with a credit  
card from each region would have to pay for  
the items or I will need to ship these items to

you and then you will need to forward them to each individual. Also - we do not have a store in Russia, so that would need to be shipped to you either way.

Please let me know if this will work for you and I'll get those added to your order and have them shipped to your office.

I'll check in mid-day tomorrow. Talk soon.

Best Wishes,

Hi Lesley -  
Hope you enjoyed your

Sorry for the delay - I ended up  
coming down with a cold and  
was out of office yesterday.

I will update you before end of  
day on the status of this order  
and will hopefully have an update  
re: Europe tomorrow.

I'm going to pull together your
