Hello Martin and thanks for checking in. I will be placing some orders with you very soon.  
I sent the email out just this morning to our recipients. I will send you each order  
separately along with the address to send to.  
Question- we do have a few watches to be shipped to Europe. Can you ship overseas?  
Does the watch need to be purchased over there maybe?

Hi Rich & [REDACTED] -

Thanks for taking the time to chat earlier.

Attached you will find a spreadsheet which outlines the Apple Watches  
we offer.

There is one sheet for Aluminum Watches and another for Stainless  
Steel. The third sheet provides photos of  
each watch.

Let me know if you have any other questions.

Talk soon!

Best Wishes,
