Dear Lesley,

Thank you so very much for your time in looking into this for me. I very much appreciate it!!

After looking at the prices to change I decided to keep it as it is (and depart on the 3rd) as it would actually be more expensive to pay for the flight than to stay in my accommodation here for the extra days.

Congratulations on your little Gemma!!! I absolutely love golden doodles!

I would like to look into whatever would be the most inexpensive change so I think that may involve Amex checking a couple of days. I know it is thanksgiving tomorrow and you must all be having a disrupted week. I dont want to put extra work on anyone so please let me know if I should phone Amex.
