It will probably be best to ship all together. No one is at the address the watches are to be shipped to until after Jan 17. I would prefer our Housman be there to receive the packages. Unless you believe things will all start to arrive only after Jan 17. Then they could go as they are in stock. Please let me know what you think is possible. Lesley

Hello Bella,
You will receive, this morning, an email confirmation.

The invoices will be sent to you gradually as Apple Watches will be shipped.

Do you want to receive only one package or each other ?

In the steps, payment will be passed when Apple Watches will be shipped.
And it will be at this moment that the invoice will be created and sent to you by email.

Hello Lesley,
You can use a US credit Card if
it's a Visa, MasterCard or
American Express.

In Addition, if it's easier for you,
I can place your order for Paris in
delivery.
For Moscow, I'm unable to
deliver but we can prepare a
quote in pick-up.

Hello and thank you for
your response Vanessa.

We were told we must
have a French Credit Card
to place the order...is this
true? I had decided I
would send an employee of
ours to the Paris Apple
store to place the order for
the 3 remaining watches (2
for Paris recipients and 1
for Moscow recipient)
once she returns to Paris
from her travels. She has a
French credit card of her
own. If we can use a US
credit card, do let me
know.

Thanks,
