Good morning Larry I think you were talking about [REDACTED] [REDACTED]. She has a flight out at JFK tonight at 7:10 PM. I believe we will need to get her a car service from Teterboro to JFK. I have just asked Jeffrey if OK to do so. She will definitely not go back to 71st or 301. How long do you think it will take to get out of customs today? I mostly ask because I wonder when Geoffrey will be back to the house. But also let me know what time you think the car should be at the airport for [REDACTED]. Thanks
