Hi Jeffrey,

It was lovely seeing you again and I'm glad we were able to connect while you're still in town. As I've mentioned, me and [REDACTED] are determined to grow our company and we're even planning to rename it in a less targeted name soon (Millenium communications with Crypto PR Lab being a sister company - thoughts?).

The idea is to focus on crypto PR, business speaker agency, events organization (such as Davos) with global recognition. We're very excited about it :)

Also as I've mentioned, we'd like to raise capital and we really need some advise on what direction to take. I've put together a very raw picture of what we currently have in terms of financials and I'd really appreciate your take on how to build a solid roadmap to raise some capital and build bigger operations.

Looking forward to your feedback!

Kind regards,

Co-Founder & CEO, Crypto PR Lab
