Re the Apple Watches for recipients in Europe. In order for the cellular function of the Apple Watch to work properly for the Paris ([REDACTED]), London (Dasha Burak, Edward Rod Larsen) and Moscow ([REDACTED]) recipients, we need to purchase the watches in Paris. We do not have a French cc and cannot write a check. OK to have [REDACTED] go to the Apple store in Paris when she returns to purchase the 5 watches on her credit card and wire the money to her account?

(Apple should be able to ship the watches to London from Paris, but [REDACTED]'s watch [REDACTED] will have to ship to her. Apple does not do business in Russia)
