Question-if purchased in the US but then want to use in Europe...can you just get a new SIM card for the cellular to work properly ?

Hi [REDACTED] -
Oh - that's a shame!
Yes - you are correct. They can use the GPS function, but not the cellular aspect of the watch.

Let me know how you'd like to proceed.

Hi Martin...I received the below just this morning...we are trying to figure out our next steps. I thought we had a French CC, but we do not. Will come back to you. We may just buy from you and ship to the receiver. They can still use the watch, correct? Just not as a cell phone due to different carriers.

Hi [REDACTED]

We can not work with a foreign company, do you have a billing address in France? Do you have offices in France for invoicing?

Thanks and Regards
