Frequently Asked Questions

What if I will not be available to receive my shipment?

Most of our shipments contain valuable items, so our carriers are required to obtain a signature upon delivery. For orders delivered by Postal Service do not require a signature. If you are unable to sign for delivery, the carrier will leave a calling card. You can then contact the carrier directly to schedule a new delivery appointment or alternate delivery address.

For more information about Apple's delivery options, visit [online Help](#).

How do I track my shipment?

Visit online Order Status to view the most up-to-date status of your order. If you ordered multiple items, separate shipments with no additional shipping charges. For more information about shipping or returns, visit online Help.

You can also contact your Business Team with any questions.
