[REDACTED] This should work

Lesley, I know that might sounds strange, but I'm crossing the border first time and got one question

What if they ask me to show booked hotel or something like this?

Or it's not a common thing?

Again sorry for such type of questions

Hi [REDACTED]...everything is correct with the ticket. My agent says sometimes the airlines stop the 'on line check in' at some point...perhaps you are past that point. I am glad you are on the

way to the airport...please let me know you get checked in and all is well. Lesley

"Where do you stay" and
without it I can't continue.
Is it better to book it via
Booking or smth like this?
Cos I really don't know how
to fix it
