In one place said

5th of January: flight from Cancun to Geneva

another

Cancun to Newark on 5th (United UA1988) it lands at 3:28 pm

So what is final destination?

Hi Natasha... [REDACTED]s trip is more extensive than originally thought. Her details are below:

21 December: flight from Geneva to Palm Beach with the connection in NY
26 December: flight from Miami to New York
29 December: flight from New York to Cancun
5th of January: flight from Cancun to Geneva

Please issue the ticket on Dec. 21 as below:

> Dec. 21
> United 957 depart Geneva 915am arrive Newark 12:25pm
> United 1538 Depart Newark 3:00pm arrive PB 5:58pm

We need the flight Miami to NY

I have found the flight from

Newark to Cancun on 29th (United UA1987) at 6:33 am
Cancun to Newark on 5th (United UA1988) it lands at 3:28 pm

THANKS!
