>>> Hi [REDACTED] Bella has confirmed it is OK for you to use your AMEX card to pay for your and your families rooms while in [REDACTED]. It will just be easier as the hotel likes to see the credit card when you check-in. This will keep us from having to fill out a third-party credit card authorization form that could possibly get denied at the last minute. Bella will make sure to have the money available on your card. Ok!? [REDACTED]
