Good morning!

I'm sorry it's taken so long to reply. Unfortunately, Dr. Watson was in an automobile accident on the Laboratory grounds on October 24th, and currently is recuperating at:

Cold Spring Hills Center for Nursing & Rehabilitation  
378 Syosset-Woodbury Road  
Woodbury, NY 11797

He has a variety of conditions and accompanying paraphernalia to deal with (such as tubes that limit his ability to talk, eat, etc.). Perhaps the simplest way to keep informed is through his wife, Liz, who can be reached at [REDACTED] or [REDACTED] after 9:00 p.m..

Please thank Mr. Epstein for his thoughtful concern.  
Maureen
