I see ok. I thought we had a French CC. Maybe we used to. Ok. So what to do? If we order here they won't fully function in France. Could we give [REDACTED] a check for the total? Have her do it when she goes back? Or just buy here and not worry about the watches not fully functioning? Hmmm. I think Jeffrey would prefer the watches function the best they can.

Hi Opéra Business team -

I'm writing to connect you to the team at HBRK Associates; one of our most valued clients!

Lesley, Rich and Bella are working on placing a large order for Apple Watches in the US and would like some support in purchasing a few watches in Europe.

Can you please create a quote based on the attached Quote 2205191882 and corresponding spreadsheet for shipment addresses.

Please connect with Bella Klein (cc'd) and advise her on any information she may need to provide in order to get this completed.

Your support is appreciated.
Thanks!

Any questions, please let me know!
