Hi [REDACTED] .just sent you an itinerary for your trip and included the Marriott...you are not really staying at the Marriott, but since it is the address we gave you to provide, we included that on the itinerary. Renato will pick you up as planned and take you to Jeffrey's home in PB. I do not think you will need to show it to anyone...

[REDACTED] This should work

Lesley, I know that might sounds strange, but I'm crossing the border first time and got one question  
What if they ask me to show booked hotel or something like this?  
Or it's not a common thing?  
Again sorry for such type of questions

Hi [REDACTED] .everything is correct with the ticket. My agent says sometimes the airlines stop the 'on line check in' at some point...perhaps you are past that point. I am glad you are on the way to the airport...please let me know you get checked in and all is well. Lesley

Can you help me , there's a  
question in "online checkin" -

"Where do you stay" and  
without it I can't continue.  
Is it better to book it via  
Booking or smth like this?  
Cos I really don't know how  
to fix it
