Hey Lesley -

Unfortunately, you are not able to swap out the SIM card, because there is not a physical SIM card in the Apple Watch.

Hi Lesley -

Oh - that's a shame!

Yes - you are correct. They can use the GPS function, but not the cellular aspect of the watch.

Let me know how you'd like to proceed.

Hi Martin...I received the below just this morning...we are trying to figure out our next steps. I thought we had a French CC, but we do not. Will come back to you. We may just buy from you and ship to the receiver. They can still use the watch, correct? Just not as a cell phone due to different carriers.

Hi Lesley,

We can not work with a foreign company, do you have a billing address in France? Do you have offices in France for invoicing?

Thanks and Regards

Hi Opéra Business team -

I'm writing to connect you to the team at HBRK Associates; one of our most valued clients!

Lesley, Rich and Bella are working on placing a large order for Apple Watches in the US and would like some support in purchasing a few watches in Europe.

Can you please create a quote based on the attached Quote 2205191882 and corresponding spreadsheet for shipment addresses.

Please connect with Bella Klein (cc'd) and advise her on any information she may need to provide in order to get this completed.

Your support is appreciated. Thanks!

Any questions, please let me know!
