I have no idea what they will ask you. Say you booked through your travel agent before you left ...come up with an emergency in st. petersburg.

Lesley, sorry for being stupid
But I have a tourist visa, if I understand correct - I can't say that I came for work.
That's why I ask about what could be better to say

You mean I took the flight from Tel Aviv to New York by mistake?
Or I planned to stay there with my friend but got something important from Saint Petersburg
I didn't fully understand. Sorry, I'm a bit shocked that made this.

I purchased you a ticket to fly FROM Newark (the same airport you land at) tomorrow...you will have to wait quite awhile unfortunately...flight is not until around 5pm. As soon as I have the ticket I will forward.. You will not even leave the airport ...just tell customs you made an error and should not have taken the flight for work. you are returning straight away to St. Petersburg. You will have the ticket to show them.
