All,

This has already been factored into the number.

We should be around- here is the final.
JS's wife had a work event, she is trying to leave early.
I will be surprised if Sarkis actually makes it, but you never know.

All,

Happy Holidays...we are looking to celebrate 2018 early in 2019.

Please join us on the evening of Friday, January 11th.

Our growth as a firm this year has been truly special this year.

With that, we also have a special location this year.

[REDACTED] have very graciously offered to host the party at their beautiful home.

As always, spouses are welcome and festive attire is encouraged (particularly if it is New Canaan football themed).

Please RSVP to me with your total count ASAP so I can provide an accurate count to the [REDACTED] for planning purposes!

You are also welcome to expense responsible transportation home if necessary.

Sincerely,

Aaron
