Oh, no problem!
If it will be this Friday 9am-5pm, it will work for me!

I'll be there by 2pm

She will not engage the alarm until I tell her we are all done...I usually ask her 9-5 to keep it off...would this work for you? It is hard to keep coordinating with her and the turning off and on of the alarm...easier for all to remember one day/time if you know what I mean! Or if you want to purchase the stuff and coordinate with Leo and have him do it, you can? He will be going there anyway to touch up the apartment for their arrival.

Hi [REDACTED] and happy new year! Ehud is coming back. The alarm will be off this Friday Jan 4th at 9am. Can you go in and put a little food /flowers in apt? Any food spoiled throw away?
