## Frequently Asked Questions

### **What if I will not be available to receive my shipment?**

Most of our shipments contain valuable items, so our carriers are required to obtain a signature. If you are unable to receive your package, you can leave a calling card. You can then contact the carrier directly to schedule a new delivery at a different address or to a delivery address.

For more information about Apple's delivery options, visit online Help.

### **How do I track my shipment?**

Visit online Order Status to view the most up-to-date status of your order. If you order multiple items, you can track each item separately. You can also track separate shipments with no additional shipping charges. For more information about tracking your shipment, visit online Help.

You can also contact your Business Team with any questions.
