I am sure one of Jeffrey's drivers can get you to Miami on Dec. 23/24 or you can take an Uber...that will be easy.

Dear Lesley,

Thank you so much for your help! Its a great flight! Hope the line at customs won't be huge. With this flight I will be able even to take a train from Montreux straight to Geneva airport and be on time. Thank you so much for your offer to organize a car, but I can try to catch a train. Although, I am not sure about ticket back, because I'm going to meet with [REDACTED] in Miami from Palm Beach on 23/24. I guess I'll go by car. And I will fly back to Europe from Cancun (Mexico). My journey schedule seems like:

21 December: flight from Geneva to Palm Beach with the connection in NY
26 December: flight from Miami to New York
29 December: flight from New York to Cancun
5th of January: flight from Cancun to Geneva

I have found the flight from

Newark to Cancun on 29th (United UA1987) at 6:33 am
Cancun to Newark on 5th (United UA1988) it lands at 3:28 pm so, I will have 2,5 hours
between flights what should be ok.

Jeffrey told that you can help with all the tickets, but maybe its better to re-confirm.

Thank you in advance for organizing the tickets!

Please let me know if there is anything I can help with/ provide.

Please, let me know
