We consider various factors in identifying travel suppliers to you and recommending specific itineraries. In this role, we act as an independent third party and not as a fiduciary. We want you to be aware that we may receive compensation from travel suppliers, including pay us commissions as well as incentives for reaching sales targets or time to time may also provide incentives to our travel counselors. Certain travel suppliers may provide compensation to us for various marketing and administrative services they provide for them, such as granting them access to our marketing channels, participating in our loyalty programs and supporting technology initiatives. In addition, we receive compensation from travel suppliers when customers use the American Express Card or other American Express products to pay for supplier products and services. From time to time we may change our business relationships with suppliers and these arrangements, including the compensation and incentives we receive, are subject to change. In identifying travel suppliers and recommending itineraries, we may consider a number of factors, including your travel needs and your preferences. The relationships we have with suppliers may affect the travel suppliers we identify and the itineraries we recommend.
