Title: American Express ®

That is a good question, it is some sort of web deal, I have only two options pricing on my end - non-refundable and refundable, both do not include bags. One of my colleagues had the same issue last week, called Jet Blue, was told it is online deal only. I am sorry, let me call Jet Blue again to double check, and I will tell you.

that is so weird? why? I guess I'll just do it.

[REDACTED] just learned from Jet Blue - BlueFlex fare can be booked only on line, I can't do that in my system. Do you want me to book it online or you will do it?

yes! please do issue the tix...make sure they are tix we can change if need be...Blue Flex and they need to take bags with them

I will be able to get seats two and two (two rows behind each other) as regular seats on 10am flight: 25 AB and 26AB (window and middle), will it work?

One parent needs to sit with one kid. so, no exit row...extra leg room is not as important as getting one parent with one kid...if the rows can be across from each other great. if not, that is ok...just close as they can...I want to go with the 10am flight due to that is what he asked for.

If they want Jet Blue - did they refer to coach cabin with extra leg room seats? - we can do:

B6 1833 21FEB BOS SFO 1000A 200P - \$266.30 per ticket plus fee for the seats, will it work?  
But only two seat together with extra leg room fro children (row 10) and row 18 or 19 fro adults - exit row.

B6 633 21FEB BOS SFO SS4 340P 749P has two seat seats together on one row and two on row behind. Only \$158.30 per ticket plus fee.

Hi Natasha...hope you had a great weekend. Please see below from Joscha Bach...we need to purchase these one way tickets for him and family...I need to know pricing...thanks!! [REDACTED]

We are planning to move to San Francisco on the 21st. Could you help us with booking one-way tickets, please?

The best flight is probably this one:

JetBlue, BOS-SFO at 10am Feb 21st

Passengers:

Joscha Bach

Mira M Bach

It would be ideal if we can have at least pairwise seats together, perhaps even in adjacent rows. The best option would be BlueFlex, so we can have more bags (the moving truck will probably take 10 days to arrive or so), and can change the flight if the need arises.
