That is a good question, it is some sort of web deal, I have only two options pricing on my end - non-refundable. One of my colleagues had the same issue last week, called Jet Blue, was told it is online deal only. I am sorry and I will tell you.

[REDACTED] just learned from Jet Blue - BlueFlex fare can be booked only on line, I can't do that in my system. Do

One parent needs to sit with one kid. so, no exit row...extra leg room is not as important as getting one parent and each other great. if not, that is ok...just close as they can...I want to go with the 10am flight due to that is what

If they want Jet Blue - did they refer to coach cabin with extra leg room seats? - we can do:

B6 1833 21FEB BOS SFO 1000A 200P - \$266.30 per ticket plus fee for the seats, will it work? But only two seats (row 10) and row 18 or 19 for adults - exit row.

B6 633 21FEB BOS SFO SS4 340P 749P has two seats together on one row and two on row behind.

Hi Natasha...hope you had a great weekend. Please see below from Joscha Bach...we need to purchase the tickets to know pricing...thanks!! [REDACTED]

We are planning to move to San Francisco on the 21st. Could you help us with booking one-way tickets, please? The best flight is probably this one:

JetBlue, BOS-SFO at 10am Feb 21st

Passengers:
Joscha Bach, [REDACTED]
Mira M Bach, [REDACTED]

It would be ideal if we can have at least pairwise seats together, perhaps even in adjacent rows. The best option would be BlueFlex, so we can have more bags (the moving truck will probably take 10 days to arrive and need arises).
