Good Morning [REDACTED]

The appointment was moved to February 4<sup>th</sup> at 10am  
and yes he should shave to receive the best results  
from the treatment.

Dr. Kline did not prescribe Accutane at the time of his appointment, is this something he now wants filled?

He is also asking if Dr. Kline will prescribe 5 months of Accutane, 20mg for him...Let me know on all when you can. Thanks, Lesley

Yes, he will come in at 10am and numb

mind that her schedule has very limited

flexibility due to the length of her

late please let me know ASAP.

Thank you for your help. Have a great

Hi Jennifer and thank you for  
getting me the paper work. I  
plan to hand this to Jeffrey  
before he bolts out the door, but  
just in case, I am sending this to

you as well! I've included a copy of his Insurance Card. He still needs to sign and fill out the personal questions...I have done as much as I can for him now!
