Subject: Catching Up

Dear Jeffrey

I hope you've been well. I wanted to update you on what I've been up to for the last two years. I was also hoping to talk with you to see if I might use the foundation's Lexington office conference room from time to time for my work and what I could provide in exchange for that. I am cc'ing Rich because I'm not sure if you still use this email?

While I don't really need an office at this point, I do need access to a conference room from time to time and it would be hugely helpful if I could access the foundation's. If there was some

work that I could do for the
foundation in exchange, I would
be delighted to do that.

It would be wonderful to catch up with you as well.

all the best,
