Hi Karen...just wanted to touch base...it's not a problem, but wanted you to know the wine has not arrived Jeffrey's home...just in case you needed to check on it or were told it was shipped...

Hope all is well! [REDACTED]

Dear [REDACTED]  
Just wanted to let you guys know that, because of a 'blip' at the vineyard, Mr Epstein's wine won't now ship until early January.  
We're very sorry about this but hope he enjoys it all the same.  
Again, have a great Christmas and a Happy New Year!  
Kind regards,  
Karen

Dear [REDACTED]  
Sincere apologies for this late acknowledgment.... Your email somehow slipped through the net!  
All duly noted regarding delivery address and Merwin's contact details. The gift will be wine so won't go off....  
The only thing is because it'll be shipped directly from the Italian vineyard I cannot give a delivery date.  
I will try to get a tracking number but it depends what service they'll use. I will underline that between 17-21 December are the preferred dates.  
Thanks for all your help and HAPPY HOLIDAYS!  
Karen

Hello Karen and thank you for your kind email.  
The best address to send a gift will be Jeffrey's home in NY.

9 East 71st Street  
NY NY 10021

Merwin will be able to receive the gift. Can you please advise how you will send (Fed Ex? DHL? Etc) and who the shipper will be. Also an estimated time of arrival and tracking number would be super if possible. Merwin's cell number is [REDACTED]. If the package can arrive during the week Dec 17-21 it would be tremendous.

On another note, if the gift is perishable please do let me know. Thanks. [REDACTED]

Dear [REDACTED]

Eduardo would like to send Mr Epstein a seasonal gift. To that end could you please re-confirm the preferred postal address, and leave me a contact number that the courier can use if necessary?

Could you also please confirm the last date your offices will be open before closing for the holidays?

Many thanks,

Karen
