**Subject:** Timing for Paris Trips!

Good Morning!! I have the timing requested by Jeffrey for the trips we need to organize. We need to find flights that get the guests in and our closest to his time preference...I went back to look at all we did yesterday and not one trip corresponds with what he wants...(of course...sorry about that) Even if the person must take a connecting flight I want to give this as first choice along with price....then second choice can be the closest direct flight with price. Thank you!  
Lesley
