Good Morning [REDACTED]

The appointment was moved to February 4th at 10am and yes he should shave
to receive the best results from the treatment.

Dr. Kline did not prescribe Accutane at the time of his appointment, is this
something he now wants filled?

Good morning Jennifer! Hope you had a nice weekend. Jeffrey is asking if he must shave prior to his appointment...he is also asking to move his appointment to Feb. 4th...OK for you? 10am? He is also asking if Dr. Kline will prescribe 5 months of Accutane, 20mg for him...Let me know on all when you can. Thanks, Lesley

Yes, he will come in at 10am and numb for his 10:30 with Laura.

Please keep in mind that her schedule has very limited flexibility due to the length of her appointments. If by chance he is running late please let me know ASAP.

Thank you for your help. Have a great weekend, Lesley.

HI Jennifer and thank you for getting me the paper work.
I plan to hand this to Jeffrey before he bolts out the door, but just in case, I am sending this to you as well!

I've included a copy of his Insurance Card. He still needs to sign and fill out the personal questions...I have done as much as I can for him now!
