Subject: Ticket for Karyna

Title: American Express ®

You can't upgrade Air France ticket through Delta. And you can't book Premier class with Air France using miles if you don't have highest status with Air France.

You can check mileage availability on Air France at <https://www.flyingblue.com/fr/home/explorer> and I can transfer AMEX points to Air France.

I checked mileage space via Delta, nothing available on Delta in business round trip as direct.

So, if the goal is First class, here are options:

- 1) pay whole first class ticket in points - 1 412 253 points and 20 % back.
- 2) pay for first class ticket partially in points - let say business class fare on Air France is \$10,136.73, so pay it with money, and difference in fare between business and first - \$4075.80 - pay in points 407 580 points and 20% back.

would it be less expensive to purchase as a Delta ticket and upgrade to first with Delta than AF?

So what is best idea for first class AF round trip for Karyna...? We buy coach fare and upgrade with points to first?
