Good morning Jake. Let me ask my boss about this trip. He tends to be very last minute. Thanks

Hi [REDACTED]

It's been awhile since we last talked. If you are still considering your trip, let's connect and discuss your flight options!

We have a wide range of discounted fares to St Maarten with all major carriers, I'm sure we can find one that works for you.

If plans have changed, let me know and perhaps there's something else I can be helpful with!

Regards,
