Seems to me Marz doesn't understand who she is dealing with when it comes to Jeffrey! Did you ask Jeffrey if he would clear his calendar from afternoon until overnight on those dates? I'm assuming even if you did Jeffrey has not answered you?

Greetings Marz,  
I will confirm with Mr. Epstein that he will be available both afternoons and into the evening, overnight even, and let you know.

Kind regards, Daphne

Hi [REDACTED]

We can pencil that date in, what times may work for Jeffrey March 3rd?

Matt would have to fly to NY, though he can fly anywhere in the USA easily. If there is another option of location where they could meet, we could explore that if you would like to send some dates and times through, I could check Matt's schedule for alignment.

We can remain fluid to other opportunities for them to connect also as they arise.

Kindly,

Hi Marz and sorry for the delay in response...the only possibility I can see is to pencil in Sunday March 3rd. Jeffrey is to fly in to NY from Paris this day however and I am not sure of his timing. I don't know where Matt is located ...would he have to fly to NY also? Maybe we should circle back as the date approaches. Besides this date, I do not see when Jeffrey will be in NY over a Fri-Sun...but his schedule always changes too. Can we remain fluid? [REDACTED]

Good morning [REDACTED]

Thank you for your prompt response. Due to the nature of what Matt does he will travel to see people of influence and book for an open ended timeframe with them. I recommend that we find them an afternoon or evening booking where Jeffrey & Matt have the last meeting for the day, so that they have flexibility to go into the evening as long as needed. Would Geoffrey have one of these times available in his schedule for an upcoming Friday, Saturday or Sunday?

I look forward to hearing from you.

Saturday 16th February: afternoon-evening to Sunday 17th February

Saturday 23rd February: afternoon-evening to Sunday 24th February

I hope one of these times aligns, but if not, please let me know other preferred dates and times to connect so we can find a mutual time from there.
