[REDACTED] just 'caught up' with [REDACTED] for doing a BAD booboo to his brand NEW car while backing up with the fancy new technology!

While backing into a parking space at Willow Bend Country Club for his Rotary meeting He carefully watched and listened to the 'alert' system and then hit the tree limb overhanging from above and smashed the \$200 rear light assembly on top of the car!

So who wins the Bozo award - [REDACTED]

That's life! [REDACTED]
