He can be what ever he wants but I think best place for him but if he wants to play middy he should tell the coach that he would love to play a bit there but wants to do what is best for the team but if at somepoint they are up a lot in a game can he get a rotation or two.

interesting...I always ask [REDACTED] at night if he wants to talk about anything...last night he said he was kinda thinking he would like to play midi again...but he thinks its cause he has been playing with his short stick and liking it...but I was happy he said something on the 'positive' side of LAX!
