Yes, he will come in at 10am and numb for his 10:30 with Laura. Please keep in mind that her schedule has very limited flexibility due to the length of her appointments. If by chance he is running late please let me know ASAP.

Thank you for your help. Have a great weekend, [REDACTED]

Hi Jennifer and thank you for getting me the paper work. I plan to hand this to Jeffrey before he bolts out the door, but just in case, I am sending this to you as well! I've included a copy of his Insurance Card. He still needs to sign and fill out the personal questions...I have done as much as I can for him now!
