Hello Vanessa. Our houseman is back at the Paris address the watches are to be shipped to! He says no watches have been received yet. Can you check in the 44mm space grey watch please?

Thank you,
Lesley

Hello Lesley,
For the moment, it is the 44MM w/Fauve buckle which would be available at the end of feb.

For the 44mm space grey shipped, the delivery is planned and I will ask to our Logistic Service to get more information.

Hello Vanessa, can you tell me which Hermes watch will be available in Feb.? We ordered 2 of them. I would like to let the recipient know. It is the 44MM w/Fauve buckle or the 40MM w/Bordeaux double tour?

Also, I see the 44MM Space Gray watch shipped...do you know if it has been delivered? We do not have anyone at the apartment until after Jan. 16. We do have a doorman, but want to make sure all is well. Can we get proof of delivery?

Thanks, Lesley

You can follow up it on your order confirmation.
