Hi all,

Congrats to all on your win! We will open the store on **Monday, November 26th** so that the boys can keep their jackets for the Turkey Bowl and throughout the Thanksgiving holiday. We will close the store on **Friday, November 30th**.

Can you tell us which teams are returning champs and will receive new patches only and which teams, if any, are first time champs and will receive new jackets? We know that some people may opt to buy a new jacket if their player has grown out of their current jacket.

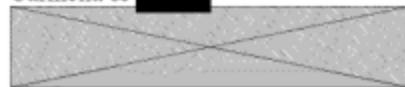

Instructions for dropping off jackets:

1. Team moms should collect all jackets, box them, label them with team name/team mom name and drop them off to 140 Orchard Drive, front porch **COMPLETE** by **Friday, November 30th**. Please do not have people drop off their jackets to us individually unless absolutely necessary. Please email us at [ncgraphicsllc@gmail.com](mailto:ncgraphicsllc@gmail.com) when you are ready to drop your box off so we know to expect them.
2. Once the orders have been placed new jackets will take 5-6 weeks, jackets just receiving new patches for year and/or add'l position will take 4 weeks, maybe sooner depending upon how the holiday rush goes.
3. All letters & numbers will be 2" in height due to space on the sleeve and they will only be able to add one new position and current winning year on existing jackets if sleeves already have 2 or more patches on them.
4. Size charts will be available on the webstore. If needed, we have one AXS size sample. We advise you to let your teams know to **BUY LARGER** so that they have it for a few years.
5. There is only one shipping option on the site, which is pick up with team mom. Once the jackets are completed, NC Graphics will email the team moms to pick up and distribute to their teams.

Let us know if you have any questions.

Thank you and Happy Thanksgiving!

Good Morning Carmella and [REDACTED]

We have four Championship Teams! I've cc'd those team moms on this email as well. Let us know what the deadline will be for orders. Also, let us know the deadline for dropping off the existing jackets too. Let's wait till next week bc I am sure the boys will want (AND NEED) them for the Turkey Bowl! Supposed to be high of 32- brrrrr!

Here are your contacts for each team:

4 WHITE: Joni Schaefer

5 BLACK: Nancy Roeder

7 BLACK: Stefania Bopp

8 BLACK: Nicole Busby [REDACTED]

**Team Moms-**

NC Graphics will open a team store and jacket orders will be processed that way. If you could please collect those jackets that kids already have, and drop to Carmella's home ( 140 Orchard Drive) so we can add the patches that would be great too. As mentioned above- let's wait till post Thanksgiving. NC Graphics will advise jacket collection drop off dates. Everyone will have to fill out order form even if just adding patches. There is a small cost associated with adding patches too. All payments will be processed through the NC Graphics team store.

Thanks everyone! Congrats again to your teams!

Happy Thanksgiving!
