Jeffrey  
NY to Paris is running 6+28min (+28kt tailwind currently).  
Paris Wx:  
Some morning fog only,  
-high temp 57°, with Low's 42°.  
Some mention of afternoon rain showers, for the week.

Darren and I are planning to arrive NY Wednesday afternoon, to prep the Plane,  
\*\*\*Pete is working some Monthly due items on the G550,  
-Main entrance door cable lube.  
-water filter change  
-preflight, Tire PSI / O2 / Hydraulics servicing.  
-changing the fwd Water system Purge Valve.

Are we still looking good for 7am Thursday to Paris?

Thx  
Larry
