**Subject:** dental insurance is not active?

Can you check with Johnny (or whoever does your dental plan) United Health Dental says you had the plan for one day only then it was terminated...so makes me think we are not on United Health Care but on something different. These new cards are not good...WE need to give the dentist the correct info to claim your cleanings this past Sat. Feb. 23, 2019

2/1/2019 Plan was active

on 2/2/2019 Plan was terminated
