Jeffrey says you can come to the house but then go back and forth to feed the cats...he says most of the time he really does not need you so you will have the time...let me know the cats feeding time schedule so I can tell him...then you won't have to worry about when you leave and come back...

I didn't hear anything from her about the takecaring of cats from tonight. as you know that I have to be in 71st house from today since Mr Epstein is coming tonight. Should I email her directly her or can I get any suggestion from you?
