I was told they will do the cleaning and take the X-rays, but they need to make sure the implant is a brand they carry. They can't find [REDACTED] in their system as a past patient...it is possible she would need to go back for another appt if they must special order something for her.

[REDACTED] will see Dr Fine on Thursday 14 at 10am. I am being asked if she needs a cleaning and xrays? Is she coming for cosmetic reasons or she is in pain from one tooth? They need to know how much time she needs for the appt. please advise.
