Jeffrey  
Thomas the GIV buyer has made contact with Gary this week about firming up the GIV sale.  
Hope to have his comments and a contract in the next day or 2.  
Gary will update us.

S76  
PreBuy for the Heli is scheduled,  
The plan is, the S76 will fly to AAG April 12th / Friday, inspection to commence April 15th, completion date quoted as May 24.  
If my schedule permits, I'd to be on the ferry flight to AAG on April 12th.  
I've already confirmed with Jay and Eric input of S76 interior after Prebuy.  
Start date May 27th.

S76 school:  
I've scheduled S76 Re-Current training for Darren and myself staring May 6th - 9th at Flight Saftey Palm Beach location if schedule permits

G550 gear inspection,  
He informs the gear inspection going well, he feels confident at this time,  
completion Friday evening,

Thx  
Larry
