ok…I am having issues trying to book her the direct flights on the Belavia Air website. It won't let me purchase the ticket. I will try again, but may have to get her on connecting flights and book through Amex. I will try to call Belavia Air and email them. I'll bet no one answers at this time.

-RE flight for ████ on Easy JEt. the 10:05am flight does not exist on Sat. March. 30. Only on Sun. March 31. ON Sat. March 30 there is a flight at 8pm arriving 10:40pm. Do I book this? or do I try another airline with Amex?
